P	2mm White Pearl	
FABRIC: 28 CT GRAZIANO WHITE MILAN LINEN OR 28 CT ZWEIGART ANT. WHITE CASHEL LINEN OR 28 CT WICHELT ANT. WHITE LINEN		
DESIGN AREA: 141H X 71W • 10" X 5" on 28 Count		

GENERAL INSTRUCTIONS: This sampler is designed for linen or other evenweave fabrics. Allow an extra 3" on all sides of the design area when cutting fabric. Color numbers are listed for both Au Ver A Soie silks and DMC floss and perle cotton. The instructions list the silk number first and the DMC number in parentheses. Use 2 strands of silk (Soie d'Alger or Soie 100/3) or 2 strands of DMC for cross stitches and 1 strand for backstitching. Use 1 strand of Soie Perlee or #8 Perle Cotton for cross stitches. **Refer to the graph for placement of special stitches.** The instructions list the thread and number of strands used in all special stitches.

Instructions are given for all special stitches. For these stitches I recommend starting with an "away waste knot." Knot the end of your thread; go down into the fabric 3" - 4" away from the starting point and begin. When you finish, clip the knot; thread the loose end into your needle and neatly weave the thread into the back of your stitches.

Embellishments: The Embellishments pack for *Remember 9/11* contains all the beads and pearls needed for the sampler plus 1 length each of Snow Crème and Old Glory Silk'N Colors overdyed silk from the Thread Gatherer. Attach all beads and pearls with a beading needle and 1 strand of DMC 3865, going through each bead twice.

BAND 1: The 3 pansy motifs represent the 3 buildings destroyed on September 11. ❶ Work all cross stitches. For symbol with 2 colors, use 1 of each in the needle. ❷ Backstitch the solid lines in the pansies with 1 strand of SMS 612 (1 of 3032). ❸ Diag. A Use 2 strands of 3711 (2 of 3033) to work the Diamond Eyelets. Pull each leg to open the center. ❹ Add beads and pearls.

BAND 2: ❶ Work the cross stitches. ❷ Diag. B Use 2 strands of Snow Crème (in your Embellishments pack) for the Satin Scallops, leaving 2 threads between each scallop. ❸ Add beads.

BAND 3: ❶ Work all cross stitches. ❷ Refer to Diag. C for the Satin Cushion flower petals. Use 1 strand of SPS Crème (1 of #8 perle 712) for the heavy lines on the graph and 1 strand of SPS Blanc (1 of #8 perle White) for the thinner lines. The colors alternate across the band. ❸ Add beads.

BAND 4: Diag. D Use 1 strand of SMS 612 (1 of 3032) for the Double Crosses. Work all numbered lines across the band, then go back and add the small upright crosses in the corners where indicated.

BANDS 5, 10, 12, 15 & 17: The Old Glory silk was created for this sampler to signify the American spirit. Diag. E Use 1 strand of Old Glory (in your Embellishments pack) for the Small Plait stitch. You can manipulate your thread so that each of these bands begins with a different color.

BAND 6: ❶ Diag. F Use 1 strand of SPS 080 (1 of #8 perle 3033) to work the Bead Cup stitches across the band. ❷ Diag. G Use 2 strands of Blanc (2 of White) for the Smyrna crosses that connect the Bead Cups. The Smyrna crosses are represented by symbols on the graph. ❸ Add 3 beads to each Bead Cup.

BAND 7: Diag. H Work the Cashmere row with 2 strands of Crème Soie d'Alger (2 of 712 floss).

BAND 8: The 4 rose motifs represent the 4 planes lost on September 11. ❶ Work all cross stitches. ❷ Refer to the top right Satin Cushion in Diag. C for the rose buds. Use 2 strands of Blanc Soie d'Alger (2 of White floss). ❸ Diag. I Use 2 strands of the same Blanc (2 of White) for the Round Eyelets. Pull each leg to open the center. ❹ Backstitch the roses and rose buds with 1 strand of SMS 612 (1 of 3032).

BAND 9: Diag. J Use 2 colors for the Hungarian Diamond. ❶ Work all numbered lines across the band with 1 strand of SPS Blanc (1 of #8 perle White). ❷ Add the lettered lines with 1 strand of SPS Crème (1 of #8 perle 712).

BAND 11: ❶ Diag. K Use 2 strands of 3711 (2 of 3033) to work the sections of Mosaic stitch across the center of this band. ❷ Work cross stitches. Avoid dragging your thread across the area where the eyelets will go. ❸ Diag. I Use 2 strands of 3711 (2 of 3033) for the Round Eyelets, pulling each leg to open the center. ❹ Add beads.

BAND 13: Diag. L Use 1 strand of SMS 612 (1 of 3032) for the Triple Crossed Rice stitches. Note the compensating stitch at the end of the band.

BANDS 14 & 18: Work the crosses, then use 2 strands of Snow Crème for the Satin Leaves (Diag. M for Band 14 and Diag. N for Band 18).

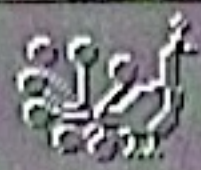

BAND 16: Work in full crosses over 1 thread of linen using 1 strand of SMS Crème (1 of 712 floss). Backstitch the solid lines with 1 of SMS 612 (1 of 3032). Add beads.

BAND 19: Diag. O Use 1 strand of SPS 080 (1 of #8 perle 3033) for the Floral Satin band. Work the stitch in 3 steps: all numbered vertical lines at the top, then all horizontal lines with capital letters, and finally all vertical lines with lower case letters. Note that the final horizontal lines in the band are worked over 2 instead of 3 threads. Add pearls.

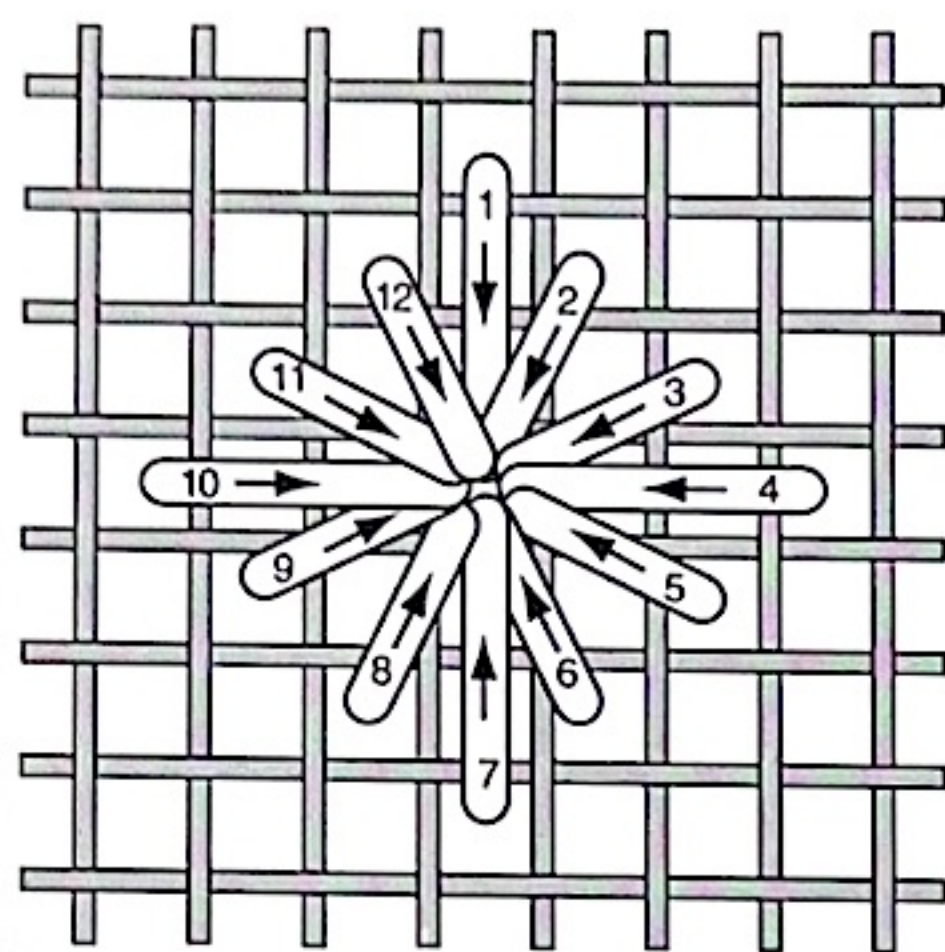

BAND 20: In this band the Roman numerals IX (9) and XI (11) are repeated together across the row, representing the date to remember. Use 1 strand of SMS 612 (1 strand of 3032) for the Roman numerals and for the lines above and below.

BAND 21: ❶ Work all cross stitches. ❷ Diag. P Use 1 strand of SPS 080 (1 of #8 perle 3033) for the Diamond Ray Eyelets. Pull each leg to open the center. ❸ Diag. I Work the Round Eyelets with 2 strands of 3711 (2 of 3033), again pulling each leg of the eyelet. ❹ Backstitch the solid crossed lines with 1 of SMS 612 (1 of 3032). ❺ Add beads and pearls.

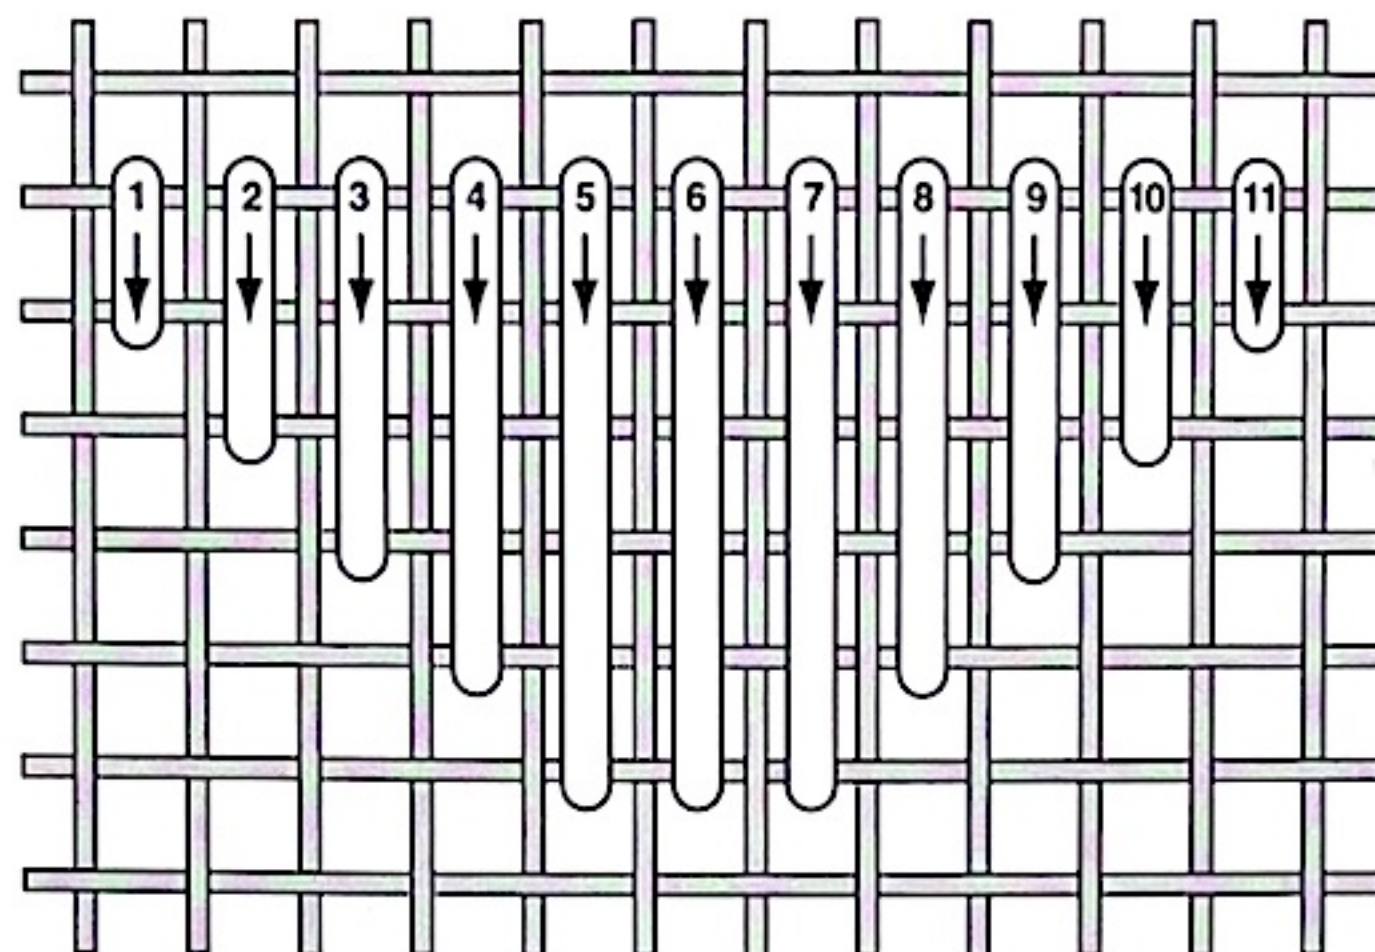

Model stitched with Au Ver A Soie silks on Graziano White Milan Linen.
